## Help Fund a Mobile Bakery for Togetherness Women's Bakery

**Empowering Women in Rwanda to Take Their Business to the Next Level**

The Togetherness Women's Bakery is on the rise. This well-established women-run business continues to expand its capacity for customers and production. Now they are ready to grow even further and all they need are wheels!

### Why a Mobile Bakery Vehicle?

A specially outfitted motorbike delivery cart will:

- ✓ Expand their customer base with a mobile storefront
- ✓ Increase profits by delivering directly to customers who live further away
- ✓ A local ban on door-to-door selling has made it difficult to expand the business outside of the brick-and-mortar shop. This mobile setup helps ensure they can sell their goods safely and without issue outside of their bakery

This isn't just a mobile cart—it's a game-changer on three wheels.
